# Chief Guest

## Padma Shri Prof. Sanghamitra Bandyopadhyay

One of the pre-eminent computational biologists of the country, Prof. Sanghamitra Bandyopadhyay, is presently the Director of the Indian Statistical Institute. She is also a member of the Prime Minister's Science Technology and Innovation Advisory Council (PM-STIAC) since 2018. A pioneering researcher on how algorithmic optimization impacts biological data analysis, she is credited with discovering a genetic marker for breast cancer, the simultaneity of the occurrence of HIV and cancer and the role played by white matter in Alzheimer's disease.

Prof. Bandyopadhyay started her higher education with a B. Sc. (Physics Hons.) from the Presidency College, Kolkata (then Calcutta). Later, she completed her B. Tech., M. Tech. and Ph. D. in Computer Science and allied fields from the University of Calcutta, Indian Institute of Technology, Kharagpur and the Indian Statistical Institute, Kolkata, respectively. Her professional career started as a lecturer at the Indian Statistical Institute, Kolkata, in 1999.

Her areas of research interest include Bioinformatics and Computational Biology, Computational Intelligence, Pattern Recognition, Data Mining, and Multiobjective Optimization. She also held the positions of a researcher and faculty member with various foreign academic institutes.

Author of more than 300 research papers, book chapters, and conference proceedings, she also has the credit of authoring several monographs, editing books and co-editing conference proceedings. She also has a patent on data retrieval and knowledge mining. As part of her academic contributions, she holds the editorial positions of several journals and book series and co-edited special issues of several journals. Apart from that, she also delivered several plenary, keynote, and invited lectures worldwide. She supervised the research works of several students who are now well placed in various important academic institutes in the country. She also offers administrative and professional services to various committees and institutes as a member of those august bodies.

An academic luminary as she is, rewards and recognition for her research and academic activities followed naturally. Of the numerous such rewards, mention may be made of TWAS Prize in Engineering Sciences (2018), Infosys Award in Engineering and Computer Science (2017), J. C. Bose Fellowship (2017), Shanti Swarup Bhatnagar Prize (2010), Alexander von Humboldt Fellowship for Experienced Researchers (2009-2010), Swarnajayanti Fellowship (2006-2007), Silver Jubilee Young Engineers Award, Indian National Academy of Engineering (2012), National Women Bioscientist Award (Young) (2012), Young Engineers Award, Computer Science and Engineering, Indian National Academy of Engineering (2002), Young Scientist Medal, Indian National Science Academy (2000) etc. She is also a fellow of The World Academy of Science (TWAS), Institution for Electrical and Electronic Engineers (IEEE), Indian National Science Academy (INSA), National Academy of Sciences, India (NASI), Indian National Academy of Engineering (INAE), Institution of Electronics and Telecommunications Engineers (IETE), and West Bengal Academy of Science and Technology.

The government of India conferred the Padma Shri award on her in 2022 in recognition of her contributions to machine intelligence.

## Prof. Arvind A. Natu

Prof. Arvind Anant Natu is a renowned, nationally and internationally acclaimed academician and currently he is a visiting faculty at the Indian Institute of Science Education and Research Pune. He was actively involved in conceptualizing and planning of the IISERs, Institutes of national importance of the Ministry of Education, Govt. of India. He trained various research schools in India & abroad.

In the past, for forty years, Prof. Natu was associated with the National Chemical Laboratory (NCL), Pune as a Senior Scientist in the Organic and Bio-organic Chemistry Group. Prof. Natu has significantly contributed to the areas of organic synthesis, natural products and bio-organic chemistry. He was also involved in the process development of several drugs & drug intermediates fulfilling the motto of NCL “Concept to commercialization”. His work has been recognized by the researchers in India & abroad.

Prof. Natu has a teaching experience of more than 25 years mostly at the post-graduate and Ph.D levels in Organic and Bio-organic Chemistry, Biology of DNA & RNA in India and Germany. He is an expert in IPR and Patents and has participated in the deliberations in the Court of Law. He has also served at various top-level capacities as Director and Consultant in Discovery, Process Development and Management in the Pharmaceutical Industries in India and abroad. He has also led Indian team in International Chemistry Olympiad thrice and came out with flying colours.

Prof. Natu was the recipient of the “Cross Order of Merit Award” which is the highest civilian award for foreigners bestowed by the President of Germany. The award came to him as a recognition of his contributions to Indo-German programmes in the area of education and research. He was also the Honourary advisor and German Research Ambassador (2007). He was engaged in Indo-German collaborations in the area of Science, Education and Research for the last thirty years representing many German Agencies.

Prof. Natu was awarded the Life Time Achievement Award from the Labdhi Research Development and Education (RDE) by Labdhi foundation Gujarat (India). He was the recipient of the Life Time Achievement Award bestowed by a consortium of North Maharashtra University titled Golden Opportunities for Latest Developments in Chemistry and Technology (GOLD CJ). He is also a recipient of several other life time achievement awards for his contributions towards education and research. He was a Fellow of the Maharashtra Academy of Science and Member of the Board of Directors of Pharma companies and PCMC Science Center. He was also the Scientific Advisor in the areas of education and health of female in rural area and scientific research, Member of Academic Council of Pune University; founder member of Indian Peptide Society and Indian Society of Bio organic Chemists, Member National steering committee for Olympiads in Homi Bhabha Centre for Science Education and a Visiting Scientist at the Bielefeld University.

Prof. Natu has a keen interest in the upbringing of the tribal females, specially under privileged students from north-east students to the mainstream of education and health.

# Director - IISER Kolkata

## Prof. Sourav Pal

Prof. Sourav Pal is presently the Director of Indian Institute of Science Education and Research (IISER) Kolkata. He was formerly the Director of CSIR-National Chemical Laboratory (NCL), Pune and worked at NCL Pune for almost 33 years. He was also a Professor of Chemistry at IIT Bombay. He was instrumental in setting up Electronic Structure Theory Group at NCL. He is a distinguished theoretical chemist and has contributed to methodological and conceptual developments on many-body electronic structure theory, to the area of density based chemical reactivity as well as to catalytic and hydrogen storage materials using computational material science. He has made outstanding contributions to the development of rigorous *ab initio* theory for molecular electronic structure, in particular, in the various aspects of multireference coupled cluster approach to molecular properties including spectra and other allied areas. He delivered Charles A Coulson lecture in University of Georgia in 2014.

He obtained his 5 years' integrated Master's degree in Chemistry from Indian Institute of Technology (IIT) Kanpur in 1977, received Ph.D. degree from University of Calcutta and joined NCL in 1982. He was a post-doctoral fellow at the University of Florida, Gainesville, USA (1986-87) and has been Alexander von Humboldt Fellow at the University of Heidelberg, Germany (1987). He was a visiting Professor at the University of Arizona, Tucson, USA, University of Torun, Poland and the Institute for Molecular Sciences, Okazaki, Japan. He also holds Adjunct Professorship at IISER Pune and IIT Goa as well as Visiting Professorship of Ashoka University. He served as the President of Chemical Research Society of India for three years from April 1, 2014. He was a member of Executive Council of Federation of Asian Chemical Societies and is presently a member of the Board of the newly set up Commonwealth Chemical Sciences. In addition, he has served in several important scientific committees in the country. He is presently the Chairman of Chemical Division Council of the Bureau of Indian Standards. At present, He is a member of the Governing Body and Council of IUCAA. He was a member of the Council of Indian National Science Academy, New Delhi.

He has been recognized by several awards and honours for his contributions to science, including the prestigious Shanti Swarup Bhatnagar Award in Chemical Sciences in 2000 and SASTRA-CNR Rao Award in Chemistry & Materials Science for the year 2014, among others. He is a Fellow of the Royal Society of Chemistry, 2011, Indian National Science Academy (2003), Indian Academy of Sciences (1996) and National Academy of Sciences (1998), Royal Society of Chemistry (2011) and the Maharashtra Academy of Sciences (1994). He is a J C Bose National Fellow of the Department of Science and Technology from 2008. He was in the Editorial Advisory Board of the *Journal of Physical Chemistry*, has guided more than 40 PhD theses and has published more than 290 papers in international peer reviewed journals. He has authored a book titled "Mathematics in Chemistry" and contributed to chapters in several books. He has been invited to deliver plenary / keynote / highlighted lectures in several institutions and international conferences of repute over the years.

## Exhortation

By virtue of the authority vested in me as the Chairman of the Senate of Indian Institute of Science Education and Research Kolkata, I now admit you to the degrees of Bachelor of Science, Master of Science, and Doctor of Philosophy and do grant and confer upon all the rights, privileges, honours, and dignities pertaining to the Degrees.

Remember that your knowledge and intellectual attainment is the most sacred wealth of the nation. You shall, therefore, use it in a manner befitting the honour and dignity of your country and of your alma mater. You shall make every effort in all circumstances to uphold scientific temper, dignity of your profession and integrity of your character. You shall endeavour, in every way, through thought, word and action to bring about the well-being of the people.

The recipients (Disciples): “Yes, I shall act accordingly.”
